
CALL FOR PROPOSALS - PRESENTER OUTREACH

OMLTA Spring Conference / Congrès du printemps:
Exploring the Possibilities - Celebrating Plurilingualism
Explorer les possibilités - célébrer le plurilinguisme
April 5-6, 2024

This year, **OMLTA** is excited to announce an influx of over **10,000 new members** thanks to a government grant awarded in summer 2023. We anticipate the 2024 conference being one of our **biggest in the last 5 years** and we invite **YOU** to be a part of this unforgettable experience!

NEW THIS YEAR!

1. NEW MEMBERSHIPS.

Every FSL/language educator in Ontario has received a free membership thanks to our government grant awarded in Spring 2023! We are looking forward to large numbers of attendees at this year's conference.

2. CONCERT/KEYNOTE.

We are thrilled to welcome Benjamin Tinsley of AfroFranco as our keynote speaker. A format that is new this year, we are welcoming LeFlo Franco (winner of Manie Musicale) who will be giving a 'keynote concert'.

3. ONLINE PLATFORM ADD-ON.

In addition to exhibitor booths at the conference, we are pleased to be partnering with WHOVA Inc, who will be providing our online facilitation of the conference.

4. RETURN OF PASSPORT CONTEST, SCAVENGER HUNT AND EXHIBITOR FAIR

We will be offering a passport contest as an exclusive contest for our Whova add-on users, and a scavenger hunt for all exhibitors as part of our exhibitor fair.

The OMLTA Spring Conference promises to be one of our biggest events yet! Workshops on all levels of programming for French as a Second Language (Core, Extended, Immersion) and International Languages are welcome and encouraged. You will not want to miss it! Please see below for specifics

- Presenters may propose more than one session but must submit a separate online application for each.
- The program selection committee welcomes session proposals from both novice and experienced presenters. Share your high-impact strategies, current research, and innovative ideas with second language educators from across Canada and beyond.
- Presenters could choose from a presentation, panel, workshop or exhibitor showcase. They were asked to identify their preferred session on the “Call for Proposals”.
- Presenters are responsible for registering for the conference, arranging and paying for their own travel and accommodations where applicable, and paying any other associated costs.
- The presenter coordinator will communicate with lead presenters regarding sharing session materials.
- Only the lead presenter will receive notice of the status of the proposed session via email. If the proposal is accepted, the lead presenter must confirm participation. Lead presenter will receive registration receipt and a prompt for a bio completion online. All additional presenters must register for the conference by January 3, 2024.

Please submit your proposal by Friday, November 1, 2023 : [Workshop Application](#).
